

## Associate Dean Position Announcement

The Illinois Institute of Technology's Stuart School of Business (IIT Stuart) invites qualified applicants to apply for the position of **Associate Dean** available in fall 2012.

IIT Stuart is committed to *educating tomorrow's global innovators* through the unique concept of strategic competitiveness. The core components of creativity, innovation, entrepreneurship, sustainability, incisive decision-making, and leadership, are interwoven throughout each of our programs. At IIT Stuart, our faculty are developing the next generation of global innovators— individuals who are proactive, insightful, and capable of meeting tomorrow's challenges head-on.

The Stuart School of Business, located in the country's third largest city of Chicago, offers all of the benefits of a thriving urban center of commerce and culture. IIT Stuart is one of only 633 (summer 2011) business schools worldwide with AACSB International accreditation, which represents the highest standard of achievement for business schools globally.

IIT Stuart offers intellectually rigorous business education at all levels, from baccalaureate to doctoral degrees including a Bachelor of Science in Business. Within the graduate level, IIT Stuart offers a Masters of Business Administration (MBA) degree, Masters of Public Administration, and specialized Masters of Science degrees in Environmental Management and Sustainability, Finance, Mathematical Finance, and Marketing Communications. IIT Stuart also offers a Ph.D. in Management Science degree with specializations in Operations and Finance, as well as a variety of Graduate Certificate Programs.

The student body at IIT Stuart is remarkably diverse and is comprised of full-time domestic and international students as well as working professionals. Our high-quality graduate student enrollment has doubled in size during the last four years with more than 900 graduate students presently in the program. Further information is available at [www.stuart.iit.edu](http://www.stuart.iit.edu).

### **Qualifications:**

*Required Qualifications:* Candidates will hold an earned doctorate from an AACSB-accredited institution in a discipline represented in the School; must possess a strong academic record of successful teaching, research/scholarship, service and professional activities; substantial employment experience in a college/university; experience interacting and collaborating with senior officials; ability to guide projects and employees of all ranks.

*Preferred Qualifications:* experience with the maintenance of AACSB accreditation process, curriculum design, delivery and implementation, faculty development as well as student recruitment and retention; administrative experience in a medium-sized or larger institution that offers doctorate, graduate, and undergraduate programs, and familiarity with all university administrative functions; familiarity with a multi-campus administrative system and with integrating campus and University-wide plans and operations; and have demonstrated planning, management, and budget management experience.

Salary is competitive and includes a rich array of university benefits including medical, group life insurance, retirement, etc.

Applications should be submitted via **email** with Word or PDF attachments. A full application (includes a cover letter, curriculum vitae, evidence of research productivity, evidence of teaching effectiveness, and the names of three references) should be emailed to [recruitingAD@stuart.iit.edu](mailto:recruitingAD@stuart.iit.edu). The review of applications will begin immediately and will continue until the position is filled.

Illinois Institute of Technology is a private, independent, Ph.D.-granting co-educational university accredited by the North Central Association of Colleges and Schools. The University has a current enrollment of over 7,500 students. The University includes The Armour College of Engineering, The College of Science and Letters, The College of Architecture, The Stuart School of Business, The Chicago-Kent College of Law, The Institute of Design, The Institute of Psychology, and the School of Applied Technology. (See [www.iit.edu](http://www.iit.edu) for more information about the University.)

***Illinois Institute of Technology is an Equal Opportunity/Affirmative Action Employer. Women and minorities are encouraged to apply.***
