

Martin L. Bariff, CPA, CBPP
Associate Professor of Information Management

Stuart School of Business
Illinois Institute of Technology
565 West Adams
Chicago, Illinois 60661
(312) 906-6522
bariff@stuart.iit.edu

Education

Ph.D. Accountancy, University of Illinois, Urbana, 1973

M.A.S. Accountancy, University of Illinois, Urbana, 1967

B.S. Accountancy, University of Illinois, Urbana, 1966

Certified Public Accountant; Illinois 1966; Currently licensed in State of Illinois
Certified Information Systems Auditor, 1980
Certified Business Process Professional, 2010

Professional History

2002-present Associate Professor, Information Management, Stuart School of Business, IIT

1983-2001 Coleman Foundation Associate Professor, Information Management, Stuart School of
Business, IIT

Jan.-Jun. 1999 Visiting Scholar, Kellogg Graduate School of Management, Northwestern University

1979-1983 Associate Professor, Accounting and Management Information-Decision Systems,
Weatherhead School of Management, Case Western Reserve University

1978-1979 Visiting Assistant Professor, Accounting, Graduate School of Business, University of
Chicago

1973-1979 Assistant Professor, Accounting and Decision Sciences, Wharton School, University of
Pennsylvania

1968-1970 Assistant Professor, Data Processing, Chicago City Colleges, Amundsen-Mayfair College

Academic Concentrations and Research Interests

Information Management: Organization Impacts, Decision Aids, Information Requirement Analysis, Information Integrity, e-Business, Information Overload, Business Process Management

Accounting: Governance and Management Control, Human Judgment and Decisionmaking, Security and Audit

Contributions to Teaching

Courses Taught at Illinois Institute of Technology:

Management Information Systems, Fall 2009, 2010 (undergraduate)

Strategic Information Systems, Fall 2008, 2009, Spring 2010, 2011

Project Management (MGT537/554)—new course, Winter 2006, Spring 2007, Sp08, Sp09, **Sp 10,11**

Project Management Applications, Spring 2009, Spring **2010**, 2011

Data Mining (MBA) Winter 2007, 2006, 2005, 2008, Fall 2008. **Fall 2010**

Financial Statement Analysis, Fall 2007

Marketing Strategy in the Digital Environment, Fall 2006

Financial and Managerial Accounting (MBA510) Winter 2006, Winter 2007, 2008

Business Strategy in the Network Economy: Best Practices (MC 551) Fall 2005, Summer 2007

Business Information and Control Systems (new MBA core course) Fall 2004-Spring 2005 [now MGT 545, an elective: Spring 2006]

Knowledge Management Systems (MBA) Winter 2003

Emerging Technology and Competitive Advantage (MBA) Fall 2003

Management of Enterprise Data (MBA) Spring 2004-5 [new MS Sequel Server DB software], Fall 2007

Management of Information (MBAF) Winter 2002

Business Strategy in the Digital Age (MS ECOM) Fall 2001/02

Managing E-Commerce in the Digital Age (MS ECOM) Fall 2001

Managing Internet Technology (MS ECOM) Spring 2001

Web Page Design (MS ECOM) Winter 2000-01

Strategic Management of Information Technology (MBA) 1993-2003; Spring 2006, Summer 2007

Managing E-Commerce 1998-2000

Information Systems (MBA and undergraduate), 1998-1992, 1990, 1989

Auditing (undergraduate), 1990, 1988, 1987

Decision Support and Expert Systems (MBA and undergraduate), 1998-1992, 1988

Information Resources Management, Strategy, and Organization (MBA), 1988-1987

Business Information Systems (undergraduate), 1994-1991

Research Methods (PhD), 1991-1990

Financial Accounting (MBA), 1995, 1987-1988

Information Technology Architecture and Strategic Planning (MBA), 1989-1988

Distributed Systems and Telecommunications (undergraduate), 1989

Management Accounting (MBA), 1997, 1994, 1991, 1988, 1987

Information Systems Design (MBA and undergraduate), 2001, 1997-1992, 1985

File Design and Management (MBA), 1988-1987

End User Systems Design (MBA), 1990, 1986

Accounting Information Systems (undergraduate), 1990-1984

Courses Taught at Weatherhead School of Management:

Management Accounting

Security and Audit of Computer Systems

Information System Management

Information Requirement Analysis

Introduction to Accounting II

Advanced Management Accounting

Short Course - DP Auditing for CPA Examination

Advanced Auditing

Information Systems (Required MBA)

Accounting Systems

Courses Taught at Graduate School of Business, University of Chicago:

Management Accounting, I-II, October 1978 - June 1979

Courses Taught at Wharton School:

Financial Information Systems

Interactive Financial Planning

Seminar—Management Information Control

Behavioral Decision Theory

Introductory Accounting (Graduate and Undergraduate)

Accounting Information Systems (Undergraduate)

Wharton Information Systems Program, 1977 and 1978

Courses Taught at Chicago City Colleges, Amundsen-Mayfair College:

Introduction to Data Processing (Undergraduate)

FORTRAN IV Programming (Undergraduate)

COBOL Programming (Undergraduate)

IBM Assembler Programming (Undergraduate)

Program Development:

2001 Certificate in e-Business

2001 Certificate in “Growing Your Business in the Digital Economy,” ALBA University, Athens, Greece

1985-2000 Three major revisions to IM concentration in MBA program

1999 MS E-Commerce Degree Program, Chair (three subsequent revisions)

1998 IIT Certificate in Internet Business, Member

New Course Development and Innovations:

2006-07 Developed Project Management course using MS Project Professional

2005 MS ACCESS One Day Workshop (spring and fall) , **Spring 2010**

2004 Introduced MS Sequel Server DB software in Database course

2003-04 MS ACCESS Two Day Workshop

2001 Visual Basic Two Day Workshop

2000 Web Page Design

1999 Strategic Management of Information Technology

1998 Managing E-Commerce

1987 IM 542 Decision Support and Expert Systems using three new DSS, Expert System and Neural Network applications (MBA)

1987 File Design and Management (MBA)

1986 End User System Design (MBA)

1985 Information Systems Analysis and Design (undergraduate and MBA)

Ph.D. Thesis Supervision:

1981-1982 Brian Dos Santos, "Aids for Model-Oriented Decision Support Systems: An Experimental Evaluation of their Impacts on Decision-making Effectiveness."

1980-1983 Harvey Fisher, "A Chaos Theory Approach to Decision-Making."

PhD Dissertation Final and Proposal Defense Committee Membership:

2010- co-thesis chair with J. Bilson for Hyungjin Lim Data Mining

1985-2009 served on numerous Ph.D. in Computer Science Doctoral Defense committees with Professor Carlson and Evans as chair, and one ID Committee with Charles Owen [Participated in 3 CS PhD dissertation proposal and final defenses during 2006-07; 2 PhD defenses in 2008; 2 PhD defenses in 2009]

Other Activities:

Information Systems Seminar, Global Trade Institute, Junior Achievement, IIT – Marmon Program, June 2003, June 2002, June 2001

IIT Certificate in Internet Business program, taught four modules, 1998-1999

Director, Center for Research on the Impacts of Information Systems, 1990 - 2003
CIO Roundtable, Michael Scott-Morton, Sloan MIT, speaker, Nov. 1991
With UIC-CRIM, held two seminars and issued four newsletters, 1990-93

NSF Evaluator, IIT, Integrated Information and Telecommunications Systems Center, 1986-1988

Chair, "Accounting for Nonbusiness Organizations: Research and Standard Setting Issues," at Weatherhead School of Management; Participants: Robert Anthony, Harvard Business School; Robert Freeman, Texas Technical University; Edward Kalsney, Ernest & Whitney. 1981

Co-author, MIDS Lab Manual for MBA required three day programming course, Case Western Reserve University, 1981

Coordinator, Managerial Studies Research Workshop (Including presentation at 3 sessions), Spring, Case Western Reserve University, 1980.

Member, various PhD in Computer Science preliminary and final defense committees at IIT.

Intellectual Contributions

Basic Scholarship

**“A Cognitive Workload Analysis Approach to Information Overload Evaluation”
Research in Progress**

“A Socio-technical Model of Business Process Performance” Research in Process

“A Study of Determinants of Enterprise Risk” Research in progress

**With Salimol Thomas, “An Operational Model for Information Integrity” in final
Revision for submission [splitting into two papers]**

**With Paul Prabhaker, Suzanne Ballard, Shyam Nadig, & Salimol Thomas, “The Case For
Information Integrity,” repositioned and restructured as a journal or monograph by
Bariff (solo)**

“Measuring Information Services Agility: A Field Study,” Research in progress

With Vijay Mandke and Madhavan Nayar. “Demand for Information Integrity in Healthcare
Management,” Proceedings of the Hospital of the Future, E. Geisler &
K. Krabbendam (eds.), July 28-30, 2002, Chicago

With Stephen Hawk, “A Comparison of Organizational Strategies for Supporting DSS,” in
Sprague & Watson, Decision Support for Managers, Chapter 14, Prentice-Hall, 1996

With Stephen Hawk. “An Examination of Organizational Strategies for Supporting DSS.”
Information & Management, 28, 1995, pp. 77-88.

With Stephen Hawk. “The Effects of DSS Group Characteristics on Client Satisfaction.” IEEE
Transactions on Engineering Management, 40,3, August 1993, 255-63.

With Brian Dos Santos. “A Study of User Interface Aids For Model-Oriented Decision Support
Systems.” Management Science, April 1988, pp. 461-468.

With J. Goldhar. "Implications of Computer Integrated Manufacturing for Corporate Strategy." Capital Budgeting and Information Systems. Edited by R. Carlson and S.K. Chang, Languages for Automation, 1985, pp. 485-500.

With V.K. Raman. "Database Chargeout and Joint Cost Allocation Strategies." In 1984 Midwest AAA Proceedings.

With M.J. Ginzberg. "MIS and the Behavioral Sciences: Research Patterns and Prescriptions." Date Base, 14(1) Fall, 1982, pp. 19-26. Selected paper in Proceedings of First International Conference on Information Systems, edited by E. McLean. December 1980, pp. 49-58

With Jay R. Galbraith. "Intraorganizational Power Considerations for Designing Information Systems." Accounting, Organizations and Society, 1978, 3(1), pp. 15-27. (Reprinted in The Organizational Context of Management Accounting, Chenhall, Harrison & Watson, 1981).

With Edward J. Lusk. "Designing Information Systems for Organizational Control: The Use of Psychological Tests." Information and Management, 1978, 1, 113-121. (Reprinted in Behavioral Accounting: A Reader, Bloom, Croll and Debessay, 1982).

"Implementation Strategies for Information Requirements Analysis." In Proceedings of the National Conference on Information Systems Development. Edited by M.E. Loomis and B.E. Konsynski. February 1978, pp. 55-61.

With Edward J. Lusk. "Cognitive and Personality Tests for the Design of Management Information Systems." Management Science, April 1977, pp. 820-829.

"An Operational Framework for the Design of Management Information Systems." In Proceedings of the AIDS National Meeting, October 1974.

Applied Scholarship

"Information Integrity Conceptual Framework," (with M. Nayar and C. Watson), Research in Progress, Fall 2009 revision –restructured to be a journal article by Bariff (solo)

A Guide to the Common Body of Knowledge for Business Process Management V2, Andrew Spanyi & Mark Treat (eds.), web published for ABPMP membership, March 2009; available to public via Association website and Amazon, April 2009 (peer reviewed), including chapters by:

 "Business Process Transformation (with Sandra Lusk)

 "Reference Disciplines for BPM"

 "A Model Curriculum for BPM" with Yvonne Anotucci, Jason Franz, and

Robyn Rasche

“A Framework for Business Process Management” (with Sandra Lusk)

“Is IT Agility Necessary for Business Growth,” Inside BTM, 3(24), Aug. 11, 2003.

“Internal Audit Independence and Corporate Governance”

International Institute of Internal Auditors Global Chapter Competition

April 30, 2003 [1st Place, Donald E. Ricketts Chapter Research Competition];

Web Publication URL: <http://www.theiia.org/iaa/download.cfm?file=234>

“E-Commerce: Challenges and Opportunities for the 21st Century,” (with Paul Prabhaker)

Financial Executives Institute, case studies published on the FEI

website, 2000.

With Larry Rittenberg and Ann Senn. Audit and Control of End User Computing. Institute of Internal Auditors, 1991.

“Redesigning CASE for Cooperative Project Development.” In CASE ‘88 Proceedings, July, 1988; pp. 241-3.

“Using CASE To Improve Problem Formulation, Analyst Productivity and Shared Organizational Values.” In Advance Papers for First International Workshop on CASE, Edited by E. Chikofsky, Cambridge, Massachusetts, May 27-29, 1987, pp. 139-141.

With Bruce L. Oliver and Bobby Calder. Prepared 225 of 600 annotated bibliography items in “Behavioral Accounting Research: The First Thirty Years.” by F. Collins and D. Finn, American Accounting Association, August 1985.

“Factory Automation: Traditional Accounting Practices- erroneous Decisions?” Tooling and Production, March 1984, pp. 38-39.

With Miles Kennedy. “Information Systems Research at CWRU.” In The Information Systems Research Challenge. Edited by F.W. McFarland. Boston: Harvard Business School Press, 1984, pp. 355-60.

“A DP Auditor’s Need for Software Engineering Standards.” In Proceedings of IEEE Software Engineering Standards Application Workshop. Edited by E. Bersoff, August 1981, pp. 8-12.

“Auditing System Software Research Workshop Proceedings.” Editor, EDP Auditors Foundation, January 1982.

“Increasing Responsibilities and Professionalism for EDP Auditing in the 1980’s.” The EDP Auditor, Spring, 1982, pp. 21-28 (revised October, 1979 University of Massachusetts, pp. 11-23).

With Fred Lilly. "Application Controls." Chapter 3 in Control Objectives - 1980 (3rd edition), edited by G.E. Meyers, EDP Auditors Foundation, 1980, pp. 27-104.

With Stanley H. Barnes. "Professionalism and the EDP Auditor." The EDP Auditor, 6 (2), Winter 1978, pp. 4-11.

With Bruce L. Oliver and Bobby J. Calder. "Behavioral Research on Accounting: An Overview of What's Been Happening." The Accounting Journal, Spring 1977, pp. 30-39.

"A Common Body of Knowledge for EDP Auditing," The EDP Auditor, (Spring 1976), p. 11.

Discussion of "A Longitudinal Study of Some Information Structure Alternatives," by Theodore J. Mock at the Wharton MIS Research Conference. Date Base, Winter 1973, 5 (2,3,4) and Special Report to the Society for Information Management.

Instructional Development

"Our GAIN is Your Gain," Chicago IIA Chapter Newsletter, article, Sept. 2006, 3-4.

Book Review, "EDP Auditing: Conceptual Foundations and Practice" by Ron Weber, McGraw-Hill, 1982 in The Accounting Review, October 1982, pp. 858-859.

"What Every Auditor Should Know About DP." EDP Auditing Guideline Series, edited by Foster Brown, Auerbach Publishers, 1978, p.14.

"The Mystique of EDP Auditor Education." In Proceedings of EDP Auditor Training Symposium. Edited by J. Sardinas, Jr. May 1978, University of Massachusetts, pp. 106-113.

Papers Presented:

"Digital Enterprise Agility: IT's Sweetspot" presented at INFORMS, San Francisco, Nov. 2005

"Websites=Corporate Persona?" INFORMS, San Jose CA, November 17, 2002

"Demand for Information Integrity in Healthcare Management" with Vijay Mandke & Madhavan Nayar, The Hospital of Future, Chicago IL, July 2002.

"Measuring Information Services Agility," REGIS, April 2002.

“An Evolution of Intensive and Extensive Excelerator Applications for an Information System Curriculum” First Excelerator Academic Users’ Group Conference, St. Louis, October 9, 1988.

“The Influence of Organizational and Personal Values in Problem Formulation,” ORSA/TIMS National Meeting, October 26-28, 1987, St. Louis.

“Effects of Personal Computer Technology Innovation on Planning Structures and Processes” (with L.C. Rhyne), Academy of Management National Meeting, August 10-12, 1987, New Orleans.

Discussant for two research papers in the session “A Work Unit Perspective on IS,” International Conference on Information Systems, December 15-17, 1985, Indianapolis.

“Impact of Job Stress on CPA’s by R. Seiler - Discussant at AAA National Meeting, Toronto, August 1984.

“Usefulness of Cognitive Style for Designing IS,” Panel at Spring 1984 TIMS/ORSA National Meeting, San Francisco.

“Database Chargeout and Joint Cost Allocation Strategies: (with V.K. Raman) Midwest AAA Meeting, April 1984.

“MIS and the Behavioral Sciences: Research Patterns and Prescriptions: (with M.J. Ginzberg), presented at First International Conference on Information Systems, Philadelphia, December 1980.

“A Study of EDP Auditors’ Evaluations of Internal Controls,” presented at a Computers and Information Systems Colloquium, Graduate School of Management, UCLA, June 14, 1979.

“Information Requirements Analysis: A Methodological Review,” and “A Study of EDP Auditors’ Evaluations of Internal Controls,” presented at the Information Systems Workshop, Invited Lecturer, Laval University,

“Behavioral Research on Accounting: A Methodological Review and Proposal,” (with Bobby J. Calder and Bruce L. Oliver), Evaluating Research and Research Methods Session, 1978 Annual Meeting of the American Accounting.

“Information Requirements Analysis for Scientific and Technical Information,” presented at the Information Requirements Analysis Session sponsored by the TIMS Information Systems College at the Spring 1978 National ORSA/TIMS Meeting, May 1978.

“Managerial Issues in Internal EDP Controls,” presented at the Management Controls College Session, Spring 1978 ORSA/TIMS Meeting, May 1978.

“Implementation Strategies for Information Requirements Analysis,” presented at the National Conferences on Information Systems Development sponsored by the Society for Management Information Systems and the MIS Department, University of Arizona, Tucson, Arizona, February 1978.

“Designing Information Systems for Organizational Control: The Use of Psychological Tests,” (with Edward J. Lusk) presented at the Advanced Systems Technology Symposium, University of Maryland, April 1977.

“Intraorganizational Power Considerations for Designing Information Systems,” (with Edward J. Lusk), presented at the “Designing Management Accounting Systems for Changing Environments” Session at the National AIDS Meeting, November 1976.

“Behavioral Factors in the Design and Management of Distributed Computing Systems,” presented at the College on Information Systems Session at the Fall ORSA/TIMS Meeting, November 1976.

“Educational and Industrial Applications of Interactive Financial Information Systems,” presented at the On-Line Decision Systems College at the Spring ORSA/ TIMS Meeting, March 1976.

“Behavioral Considerations for the Design of Data Structures in Data Base Management Systems,” presented at the Fall TIMS/ORSA National Meeting, November 1975.

“A Framework for Behavioral Research on Accounting,” presented at the “Behavioral Models and Processing of Accounting Information” Symposium, McGill University,

“Cost-Benefits Analysis for the Implementation of Security Features in Computer-Based Information Systems,” presented at the “Roundtable on EDP Auditing,” sponsored by Mobil Oil at the University of Chicago, November 1974.

“An Operational Framework for the Design of Management Information Systems.” presented at the AIDS National Meeting, October 1974.

Discussion of “Financial Decision Making--A Methodology for the Development of Computer Based Support,” by R.W. Forbes and H.R. Smith, presented at the AIDS National Meeting, October 1974.

Discussion of “Centralization of a Decentralized MIS in a Company with Dispersed Operating Units,” by J.S. Milutinovich and H.A. Kanter presented at the Northeast AIDS Meeting, May 1974.

“A Study of the Utilization of Cognitive and Personality Traits for the Design of Management Information Systems,” (with Edward J. Lusk), presented at the College of Measurements in Management- ORSA/TIMS Spring Meeting, April 1974.

Discussion of “A Longitudinal Study of Some Information Structures Alternatives,” by Theodore J. Mock, presented at the Wharton MIS Research Conference, October 1973.

“A Description of a Fully Integrated Computerized Accounting Course at Kendall College,” Conference on Computerized Applications and Programmed Learning for Accounting Education, University of Illinois, Chicago Circle, March 1970.

Research Support/Grants

Institute of Internal Auditors, “A Study of the Perceived Need and Value for Including Information Integrity in an Extended Audit Model,” to be submitted May 2011.

Stuart School of Business, “Study of Determinants of Enterprise Risk,” \$5,000, 2007

Coleman Foundation, Entrepreneurs’ Use of the Internet, \$12,000, 1999

Financial Executives Institute, E-Commerce Research Project (with Paul Prabhaker), \$57,000, 2000

Illinois Institute of Technology/DOD Quickstart grant to introduce multi-media projects in the application development courses: \$1400; 1995

“Control and Audit of End User Computing,” with Larry Rittenberg, University of Wisconsin, Institute of Internal Auditors: \$30,000; 1988

IBM Planning Grant Proposal: \$12,000; 1984

GTE FOCUS Grant Proposal (selected as one of fifteen recipients): \$25,000; 1984

“Development of an Intelligent Decision Support System Using MICROPROLOG,” 86/310 Personal Computer (\$5,000.) grant from INTEL Corporation, 1984

“Internal Auditor Work Environment Influences on Job Satisfaction and Organizational Commitment,” Weatherhead School of Management: \$3,500; 1982

“Information Needs Management,” Society for MIS, \$5,000; 1981

Research Workshop on Auditing System Software, June 24-26, 1979, EDP Auditors Foundation: funded by National Science Foundation, \$11,750; 1979

“Effects of Alternative Content and Format of Internal Control Reports on Perceived System Integrity by General Auditors, DP Management, Senior Management and End Users”: Coopers & Lybrand, \$5000; 1977.

To Develop “A Common Body of Knowledge for EDP Auditing”: EDP Auditors Association, \$30,000; 1976

“A Study of Acquisition and Use of STI by R&D Personnel Engaged in Process Innovations”: NSF, \$3,500; 1976

“Behavioral Research on Accounting: A Proposed Framework and Examination of Prior Research”: American Accounting Association, \$7,500; 1975

NSF Summer Fellowship, University of Pennsylvania, 1974

Accounting Department, Wharton School Summer Research Grant, 1973

Software Donations Negotiated for IM Courses' Adoption:

2009-10 Project Management PSNext (SAAS) from Sciforma Corp.

2002-2009 Business Technology Platform, Enamics Corp. [student access to Enamics' hosted application website]

2006 Primavera Corporation. Suretrack Project Management Software

2001-2003 Analyst Studio with Rational Rose (Rational Software), IS Analysis and Design

2001 Powerplay, Cognos Corporation (Knowledge Management)

2000-2002 Dreamweaver (3, then 4), Macromedia, Web Page Design

2000 Visual Cafe 4.0 (Java), Webgain, Internet Application Development

1999-2005 Intelligent Miner for Data (and Text) IBM, Knowledge Management

1995 Key Workgroup, Sterling Software, IS Analysis and Design

1995-2005 Process Charter, (Strategic) Management of IT (Sciforma Corporation)

1994-2003 P.3. Project Management (Primavera) IS Analysis and Design

1992 Javelin DSS, Information Resources, Decision Support Expert System

1987

Powerbuilder, IS Analysis and Design (Powersoft Corporation)

1985,86

Excelerator, IS Analysis and Design (Index Technology)

Intellectual Development/Continuing Education

Aug 2010 Attended Microstrategy 1 day hands-on workshop “Developing Mobile Business Intelligence Applications for IPADs”

July 2010 Attended IIA Chicago Chapter 1 day seminar : Data Mining for Forensic Auditing”

May 2007 Attended “Performing Forensic Accounting Examinations,” ½ day seminar, Illinois CPA Society

2001-2010 Attend Chicago Chapter Society for Information Management meetings with speakers

2001-2010 Attend Institute of Internal Auditors Chicago Chapter meetings with speakers

1999, 2001 Digital Frontier Conference, Kellogg Graduate School of Management, NWU

Ongoing Attended various computer trade shows in Chicago area

2001 Fundamentals of Rational Rose, August 24, 2001

1999

International Conference on Information Systems, Charlotte N.C.; and Seattle WA, 2002.

1998 “Economics of Electronic Commerce,” IC3 Research Conference, U.T., Austin

1994 Dunn Consulting Services, one-day workshop to learn SQL Windows

1991-1994 Continuing education courses, accounting and computers, Illinois CPA Society, Midwest Computer Show

1995-2010 Continuing education courses, Illinois CPA Society, Midwest Business and Accounting Show

1991-1994 National Communications Forum, International Engineering Consortium, Computers and Communication, attended 4-5 sessions each year

1992 IIT, Ethics Center, 3-day NSF Workshop on Teaching Ethics

Professional Activities

Treasurer, E-Business College, INFORMS, 2008-2009

Treasurer, Chicago Chapter. Society for Information Management [2008-9]

Treasurer, Information Integrity Research Group, 2009-

Board of Directors, Vice President for Finance and Information Management, Chicago Chapter (2004-2007), **Association for Business Process Management Professionals and member, ABPMP Education Committee** [developed & publishing BPM Common Body of Knowledge—**Ver. 2.0** released to ABPMP membership: Mar. 2009; released to public and sold thru Amazon—April 2009)

Co-Founder and Board of Directors (Secretary 2001-2008), Information Integrity Coalition, 2001-present; Enterprise Information Integrity Awards competition, judge Summer 2008, Chair., Education and Research Committees, 2008-09.

Educational Overseer, International Engineering Consortium, 1991-1996

Member, Information Industry Council of Metropolitan Chicago, CIO Task Force, 1988-1989

Member, Coleman Council for Entrepreneur Awareness and Education, 1987-2002

Member, Accounting Models and Issues Working Group, Cost Management Systems Projects, Computer Aided Manufacturing International (CAM-I), 1985-1987

Instructor, “EDP Auditing and Systems Development,” Wharton Systems Management Program, Fidelity Bank, December, 1977

Staff Auditor (Designed and implemented a test deck and integrated test facility for a payroll system), G.D. Brighton, Urbana, Illinois, Summer, 1971

Internal Auditor, Northwestern University, Summer 1967 and April-June 1968

Intern, Arthur Anderson & Company, Chicago, Winter 1965-1966 and February-March 1967

Intern, Haskins & Sells, Chicago, Summer 1966

Professional Presentations:

“Teaching Data Mining,” at SPSS SW Regional Academic Conference, Dallas TX, March 12, 2010

“Market Research, Tools and Techniques (using GIS),” at the Illinois Council on Continuing Higher Education (ICCHE) Northern Region Spring Symposium "Partnering in the 21st Century," at Governors State University, April 15, 2005.

“A Conceptual Framework of Information Integrity with a Case Study”, International Conference—Information Systems Control and Audit Association, Cambridge MA, June 2004.

“A Conceptual Framework of Information Integrity with a Case Study”, Chicago Chapter, Institute of Internal Auditors, October 2003

“A Conceptual Framework of Information Integrity with a Case Study”, Chicago Data Management Association Chapter Meeting, December 2002.

“Shake-Out in the dot.com World.” (with Paul Prabhaker) Stuart School First Thursday Alumni Series, Nov. 2001.

“Making the Internet Work for You.” (with Ken Gibson) Stuart Alumni Series, May 1999.

Panelist, “E-Commerce Academic Programs.” REGIS, March 1999.

“Preparing for Your First IS Job.” SIM Panel on IS Education, MBAA Society for the Advancement of Information Systems Annual Conference, Chicago, March 1996.

“Survey of Application Development Teaching Methods and Tools.” REGIS Workshop, Chicago, November 1994.

“Teaching Innovations for System Analysis,” The Future of Systems Analysis, Index Technology’s Excelsior User Conference, Boston, September 1985.

“Management Controls for Microcomputers,” Microcomputer Security Workshop, EDPA, Chicago, October 1984.

“Accounting for the Automated Factory,” Executive Forum, MACH TEC 1983 International Conference, Chicago,

“DP Auditing Education Assessment,” presented at the Mideast Group Partners and Managers Meeting, Coopers and Lybrand, Detroit, January 1981.

“Increasing Responsibilities and Professionalism for EDP Auditing in the 1980’s,” presented at the EDP Audit Symposium sponsored by the Touche Ross Foundation, University of Massachusetts, October, 1979.

“Improving Productivity of Corporate Modeling,” presented at the 20th Annual Seminar, Chicago Chapter, Planning Executives Institute, March 1, 1979.

“Challenges for Educating EDP Auditors,” presented at the EDP Auditor Training Symposium sponsored by the Touche Ross Foundation, University of Massachusetts, May 8-9, 1978.

“Managerial Issues in Internal EDP Controls,” presented at “EDP Auditing--Should the Public Depend Upon It,” National Capital Area EDPAA Chapter Fall Seminar, October 1977.

“Definition of a Profession: A Common Body of Knowledge for EDP Auditing,” presented at a New York City EDPAA Chapter Meeting, September 1977.

Administration and University Service

At Illinois Institute of Technology:

Mentor, SSB junior faculty member, 2009-10 [Zeng], 2010-11[Chakravarti]

Member, IIT Humanizing Technology Research Group, 2009-11

Member, DTC CAMCOPT Committee, 2007-09

Member, Stuart Graduate Curriculum Committee, 2006-10

Member, Stuart Research Committee, 2007-08

Member Stuart Strategic Planning Committee, 2007

AACSB Stuart Learning Assessment Coordinator, 2007

Member, Ad Hoc Stuart E-MBA and MBA Committee, 2006-07

Member, Stuart School AACSB Review Committee, 1987-1988, 1997-1998

Member, Stuart School MBA Curriculum Committee, 1984-1986 and 1987-1988; 2003-2005; Chair, 2004-06

Member, Stuart School Faculty Committee, 1991-2003; Chair, 1991-2001; 2003-06

Stuart School Instructional Resources Committee, **2010-11**, 2006-07, 2002-03, Chair; 2004-05; Chair
